La recita di beneficenza data Sabato sera all'opera house dalla Compagnia Filodrammatica Indipendente, riusci splendidamente, sia per l'ottimo concorso dato dai bravi dilettanti che per il pubblico eccezionalmente numeroso che s'intervenne. L'incasso totale fu di \$149.20. L'avenzo netto fu di \$87.50 consegnati subito alla famiglia del beneficiario. La Compagnia ringrazia quanti vollero contribuire alla riuscita della serata dimostrando in tal modo di saper comprendere i sentimenti di solidarietà che l'animano.

A letter received at the Quarryworkers' office this morning from Milford, N. H., states that the Webb Pink Granite Co. of that place, has been awarded the contract to furnish stone for the new postoffice building to be erected in New York City. Attention is also called to the dullness of business in Milford granite circles during the past months, and the correspondent suggests that a new contract will require a large number of extra stone workers. The contract stipulates that all of the stone required for the new structure must be cut and delivered within a year. Hence it is believed that the outlook for laboring men in Milford is extremely promising for twelve months to come, at least.
